

## It Really Does Matter Which Attorney You Choose.

LEVINSON AXELROD HAS PROTECTED the rights of accident victims for nearly 70 years. Arguably the best-known personal injury law firm in the state, we have earned the respect of both clients and adversaries through aggressive representation, hard work and proven results. With offices in Edison, Flemington, Somerville, Jamesburg, Belford, Howell and Forked River, we are there when you need us.

**PRACTICE AREAS** We handle personal injury matters such as motor vehicle, construction site and fall-down accidents, medical and nursing home malpractice, defective products and drugs, consumer fraud, employment issues and workers' compensation claims.

**PURSUING EXCELLENCE** Half our partners are listed in the 2008 *New Jersey Super Lawyers*®. All of our senior partners are Certified Civil Trial Attorneys or Certified

Workers' Compensation Attorneys. Being a Certified Civil Trial Attorney is a designation given to top litigators only after rigorous testing and demonstration of trial expertise as well as recommendations by adversaries and judges.

**WINNING RESULTS** We have recovered more than \$250 million in settlements and verdicts throughout the past five years; chances are that our attorneys have already handled a matter just like yours. We have the necessary skills and experience as well as the size and resources to succeed. Add to that our dedication to personal service, and you will see that it really does matter which attorney you choose.
