

Dear Mrs. Wheaton,

4/10/16

I feel obligated to inform you of how pleased I am and have been with the thoughtfulness, attention and professionalism of Ms. Kim Goyda and her staff.

She has been working on my behalf since 2011. Without her, a truly horrible situation would have been far worse.

I would have been remiss had I not notified you of my feelings. You must be aware of what a tremendous asset you have in her being with the firm. I would recommend her to anyone seeking an attorney.

I thank you.

Sincerely,
Barbara Epstein
